Case Number C14-2008-0089
Euers Tract
135 W. Slaughter Lane

Dear Wendy:

We are currently in the process of finalizing internal cross access agreements on the above referenced zoning case. At this time we are requesting to be removed from the August 5th City Council Date and moved to the next available council meeting in October. This will allow us to finalize all internal agreements with adjacent property Owners and proceed on with Council approval.

Thank you,

Martin T. Brown
